305 Turnpike St #226  
So. Easton, Massachusetts  
(508)238-3764

**Objective:** Seeking a Web Designer / Front End developer position that allows me to utilize my design and coding skills.

**Skills:** HTML/CSS, Flash, illustration. Experience with Actionscript 3.0, JQuery, PHP, graphic design.

**Software:** Dreamweaver, Photoshop, Illustrator, Manga Studio, Painter 9.5 KomodoEdit.

**Experiences:** *Freelance Web designer*

- National Johnson-O'Malley Association - 7/24/10  
Created a logo for the NJOMA's 2010 Call to Conference

- Beach House Tanning and Nail Salon - 5/10/10  
Developed a new informational web site to allow customers to explore the services, check prices and get directions to the tanning salon.

- Shoshone Rose Casino web site redesign - 10/20/09  
Developed a site redesign concept for the casino's web site

- G33KCO - 9/20/09  
Developed Photoshop templates for web site front ends and converted them to HTML/CSS

*Comic Book Illustration*

- History of Odd Web comic - 4/13/10 - 2/26/11  
This was a web comic I developed that used WordPress as its delivery system.
